Other F&S Locations

Abbott Power Plant (1117 South Oak Street, map left)

Abbott is located on the northwest corner of Oak Street and Gregory Drive. There are no available visitor parking spaces at Abbott Power Plant; however, metered spaces can be found on Oak Street just south of Abbott, as well as on Gregory Drive.

Waste Transfer and Material Recovery Facility (10 Street Mary's Road, map below)

Located on Street Mary's Road, directly east of the railroad tracks, the facility has no public parking. Please contact recycling@illinois.edu for further information about waste management.

ACTIVE TRANSPORTATION

Public Transit

The southeast corner of the Oak Street and Kirby Avenue intersection is a stop along three MTD bus routes: the 1 Yellow, 10 Gold, and 14 Navy. The intersection of Oak Street and Street Mary's Road is serviced by all three routes, plus the 9A and 9B Brown. These locations are identified on the map to the left.

To reach Abbott Power Plant, the 4 Blue route stops at the corner of Stadium Drive and Oak Street, roughly two blocks south of the plant. For additional information, please visit www.mtd.org.

Bicycles

Bicycle racks are located near most major F&S buildings. Please refer to the map to find the rack closest to your destination.

Bike ride-sharing options are also available through Veo: <https://go.fs.illinois.edu/veo>.

Motorcycles

Motorcycle parking is also available for those with valid motorcycle-parking permits in lots E14, E23, E26, E32, and on Gregory Drive near the corner of Oak Street. Please refer to the map for more details.
