

Lost Time Days

GOAL: Decrease the number of lost time days

LEGEND

Lost Time Days

Indicates the total number of work-related injury/illness cases involving days away from work

- Definition: Lost Time Days are the total number of days spent away from work due to a work-related injury/illness.
- Elevated number of lost days indicates high severity injuries/illness that prevent employees from working or an inability by the employing department to accommodate work restrictions.
- Elevated number of lost days result in increased worker's compensation costs.
