

Transportation & Automotive Services

Transportation & Automotive Services provides full service vehicle rental and repair solutions on campus. Transportation & Automotive Services can solve automotive issues large or small and assist with unique industrial jobs and specialty needs.

Managing more than 5,500 rentals a year, Transportation & Automotive Services (TAS) provides fast and convenient service in-person and online. Whether you need a vehicle for one or two days or on a more permanent basis, reservations can be made at any time through the my.FS Portal using a university CFOP account number.

Car Pool

- More than 100 vehicles available
- Return it anytime/night drop-Off
- On-site parking for your personal vehicle
- Easy-to-understand pricing
- Sustainable options

Vehicle Types Available

- Sedans (compact, standard, and large)
- Mid-sized vans
